Re: *Hartford Fire Insurance Company and Hartford Casualty Insurance Company v. InterDigital Communications Corporation and InterDigital Technology Corporation*
C. A. No. 06-422 JJF

Dear Judge Farnan:

Enclosed for the Court's consideration is a revised proposed scheduling order for the above-referenced action. Please consider this submission a replacement for the proposed scheduling order submitted on January 3, 2007.

As Your Honor is aware, this matter is an insurance coverage dispute relating to the underlying action, *Nokia Corp., et al. v. InterDigital Communications Corp., et al.*, C. A. No. 05-16-JJF ("*Nokia*"), in this District. Recently, the plaintiffs in *Nokia* filed a motion to amend their complaint against InterDigital. That motion is pending, and the allegations therein may affect the coverage analysis and pleadings in this litigation. As such, the parties to this coverage dispute have agreed to provide InterDigital an additional 30 days to respond to the remaining allegations in the Complaint. *See* Stipulated Agreement (also enclosed). In addition, in an effort to conserve the resources of the Court, the parties in this litigation respectfully submit the enclosed proposed schedule, which extends by thirty days the current deadlines, including those contained within the parties' previously submitted proposed schedule.
